Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The Examiner raised a new double patenting issue, which is obviated by a Terminal Disclaimer filed herewith.

It is believed that no Petition for Extension of Time is required. It is also believed that the Information Disclosure Statement filed herewith is timely and may be considered.

Applicant requests that the application be passed to issue in due course. The Examiner is urged to telephone Applicant's undersigned counsel at the number noted below if it will advance the prosecution of this application, or with any suggestion to resolve any condition that would impede allowance. In the event that any extension of time is required, Applicant petitions for
